

Moldova

Background A large portion of present-day Moldovan territory became a province of the Russian Empire in 1812 and then unified with Romania in 1918 in the aftermath of World War I. This territory was then incorporated into the Soviet Union at the close of World War II. Moldova has been independent from the Soviet Union since 1991.

Capital name: Chisinau in Romanian (Kishinev in Russian)

Government type parliamentary republic
