

Thailand

Background	A unified Thai kingdom was established in the mid-13th century. A bloodless revolution in 1932 led to the establishment of a constitutional monarchy. Thailand since 2005 has experienced several rounds of political turmoil, including a military coup in 2006 and major street protests in 2008, 2009, 2010, 2014, and 2020.
